

Welcome to MedCom

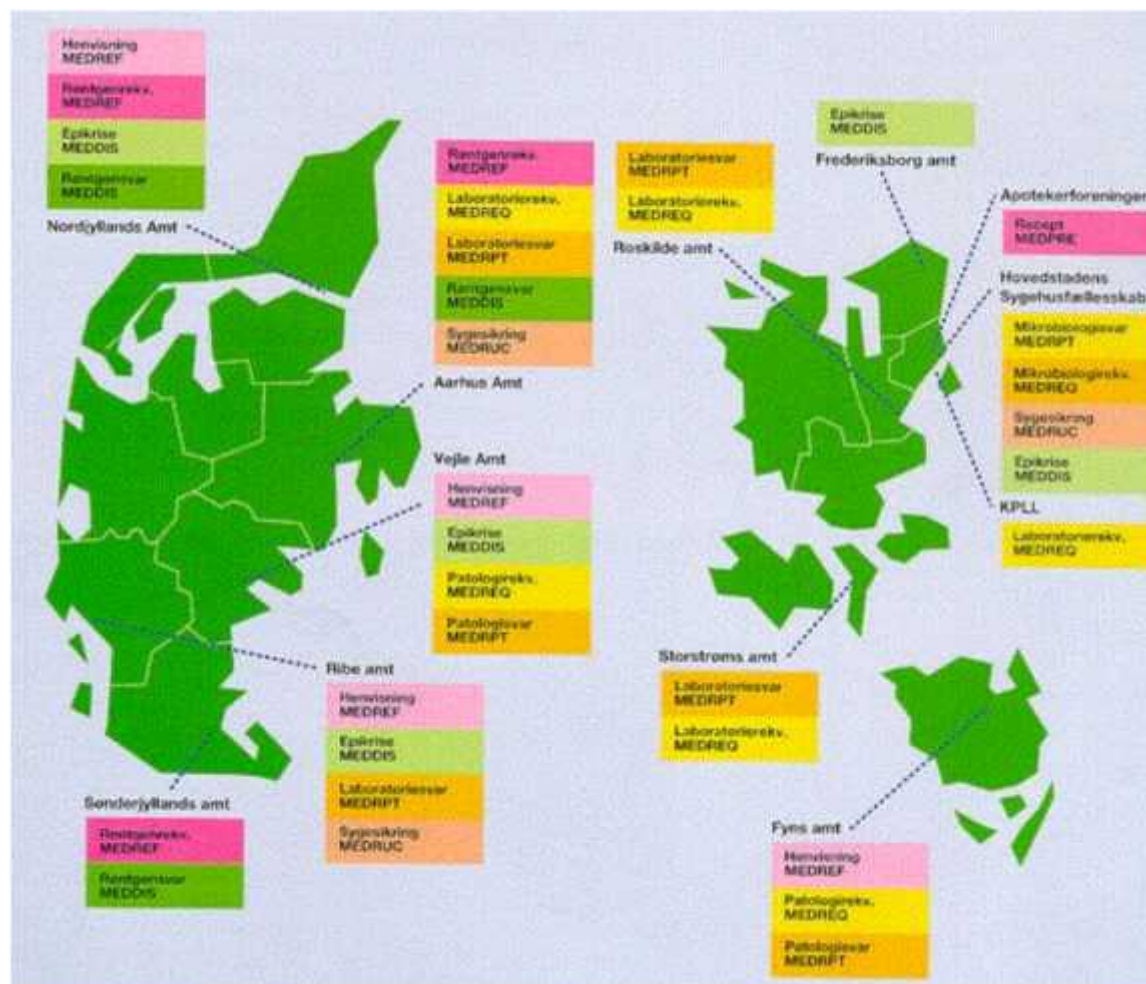

Antilope eHealth Interoperability Summit

Henrik Bjerregaard Jensen, CEO MedCom

MedComI 1994 – 1996

Standards for most frequent messages in HC

25 pilot projects

MedComI 1994 – 1996

Standards for most frequent messages in HC

- 30 frustrated vendors -> CO-meetings
- Testmessages wanted!!
- Local implementation guides???
- Communication started...
- Acute county security tests nessecary!!
- Collecting real messages ->Differs!!
- End 96: "Randers week" harmonisation with all vendors and experts
- 4 years later: New good and narrow medcom profiles incl. testsystem

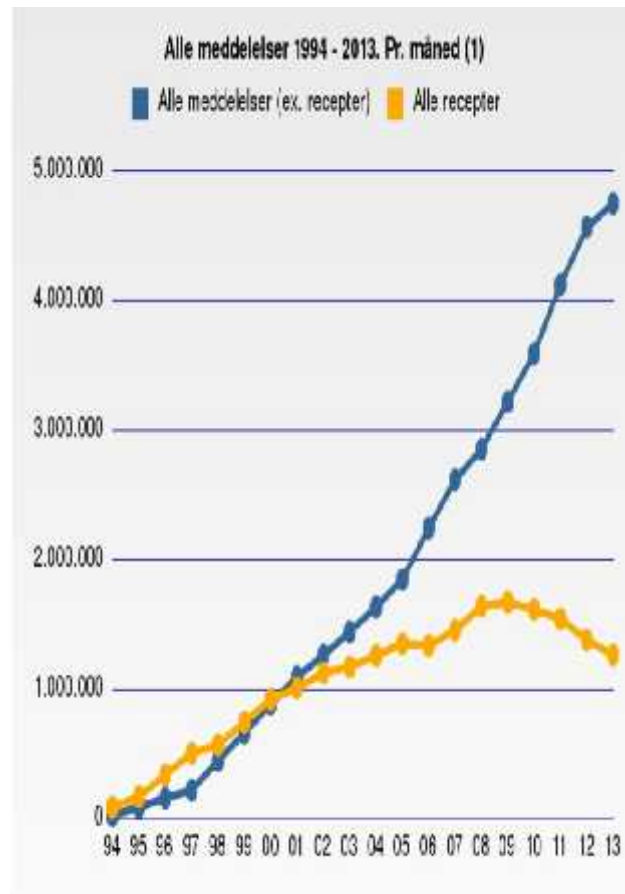

MedCom and Standards, Test and Certification...

You Live Life
Forward – But
you Understand
It Backwards

Soeren Kierkegaard
Danish philosopher

Today

- 6 mio. each month
- + 330.000 every year
- + 500.000 in 2012
- 6000 organisations
- 100+ standards
- 65 vendors
- 110 IT systems
- Netsaving 80 mill. euro in 2008
